

Adorned in Dreams: Fashion and Modernity, 2013, 344 pages, Elizabeth Wilson, 1860649211, 9781860649219, I. B. Tauris, 2013

When Adorned in Dreams was first published in 1985, Angela Carter described the book as 'the best I have read on the subject, bar none.' Elizabeth Wilson traces the social and cultural history of fashion and its complex relationship to modernity. Wilson delights in the power of fashion to mark out identity or to subvert it and this brand new edition of her book follows recent developments to bring the story of fashionable dress up to date, exploring the grunge look inspired by bands like Nirvana, the 'boho chic' of the mid 90's, retro-dressing and the meanings of dress from the veil to Beck's pink-varnished toenails.
